

## General Policies Definitions Page

The following terms shall have the following meanings when used in these Policies, unless otherwise stated:

- **Annualized period**  
The twelve calendar month fiscal year of KCBPU; that is, from January 1 and concluding December 31 of the same year.
- **Billing Period**  
An interval between successive meter reading dates, as established by the KCBPU.
- **Building**  
A single roofed or walled structure, which stands alone or which is cut off from adjoining structures by firewalls, with all openings therein protected by approved fire doors. Separate structures on the same tract of land or on adjoining fire doors. Separate structures are occupied by the customer for one single undertaking.
- **Connection Fee**  
The fee charged to the customer any time their service is turned on or off. This typically occurs when a customer establishes a new account.
- **Customer**  
Any person, partnership, company, public or private corporation, estate trust, governmental agency or legal entity applying for and/or using electric and/or water service supplied by KCBPU at one location under one rate schedule.
- **Dishonored Check Fee**  
Fee charged for customer payment checks returned by a bank.
- **Diversion**  
Any unauthorized action taken by anyone that has the effect of circumvention or alteration of the accuracy of any billing meter and/or associated devices, whether accidental, purposeful, fraudulent or otherwise.
- **Electric/Water Towers**  
A tower supporting water, electric, or communications facilities and is utilized by KCBPU.
- **KCBPU**  
The Kansas City Board of Public Utilities acting through its duly elected members, employees, or agents within the scope of their duties and responsibilities.
- **Late Payment Fee**  
Fee charged to customer for non-payment of bill by the due date.

## General Policies Definitions Page

- **Non-Residential Customer**  
Any commercial, industrial, or other type of customer that is not a residential customer.
- **Normal Working Hours**  
Monday – Friday, 8:00 am to 4:00 pm.
  - **Medium DG Facility:** A DG Facility rated to generate greater than or equal to 70 kVA three phase but less than 4,000 kVA three phase, at the rated voltage at the Point of Common Coupling.
  - **Large DG Facility:** A DG Facility rated to generate greater than or equal to 4,000 kVA three phase at the rated voltage at the Point of Common Coupling
- **Person**  
Any individual, firm, joint venture, partnership, corporation, association, municipality or governmental unit which contracts to perform any function or activity upon any land, building, highway or other premises in proximity to an overhead line.
- **Petitioner**  
The party, who makes a formal request and/or executes an agreement with KCBPU, acting on their own behalf and/or as duly authorized agent of the customer.
- **Premises**  
All buildings, apparatus or portions thereof occupied or operated by the owner or lessee and situated on a parcel of land undivided by a common area or public highway, street or railway.
- **Pumping Stations**  
Facilities including pumps and other equipment that are utilized KCBPU to pump fluids from one location to another.
- **Reconnection Fee**  
Fee charged to reconnect customer after being disconnected for non-payment of bill or other violations.
- **Residential Customer**  
Any customer whose service supplies their home or place of living.
- **Service Area**  
All areas in which KCBPU is authorized by the Kansas State Legislature to supply electric and/or water service.
- **Structures**  
Any building or other constructed object that is owned by KCBPU.
